October 14 -16 2009 the Europe Chapter Annual Conference will be in Linköping, Sweden. The meeting is hosted by the University of Linköping, VTI (Statens väg- och transportforskningsinstitut), and HFN (the Swedish Human Factors Network). This year's theme is **Human Factors: A system view of human, technology and organisation**

Europe Chapter meetings are open to all who are interested. Abstracts are invited on topics related to the theme of Human Factors: A system view of human, technology and organisation*, for example:

- | | |
|-----------------------------|-----------------------------------|
| 1. Adaptive technology | 7. Aviation |
| 2. Computer-based training | 8. Psychophysiology in Ergonomics |
| 3. Virtual prototyping | |
| 4. Safety Culture | |
| 5. Usability and acceptance | |
| 6. Surface Transportation | |

* Other topics will be considered if they are consistent with the broad topic of the Meeting.

Presented papers will be reviewed and published after the meeting. This book will be mailed to delegates

Registration fee (non-chapter members € 350, members € 340, students € 300) includes attendance of the complete programme, a copy of the proceedings, coffee and refreshments, three lunches, the conference dinner on Thursday, site visits, and 6 transfers by public bus to and from Linköping city centre.

Hotels. Please check the website for a list of hotels and their price.

Abstracts (200 words) for this meeting must be submitted before June 15th from the website, [http:// hfes-europe.org](http://hfes-europe.org), choose Annual Meeting. Please indicate preferred presentation format (oral or poster) and theme (see above list for guidance).

Organisation committee

Arne Axelsson (HFN), Martina Berglund (HFN), Björn Peters (VTI), Lena Sundling (HFN), Clemens Weikert (Lund University), and Dick de Waard (University of Groningen). For more information on the meeting contact Dick de Waard (d.de.waard@hfes-europe.org).
